Login page

Here, in this project login page is used to provide the security so the unauthorized users cannot access the page.

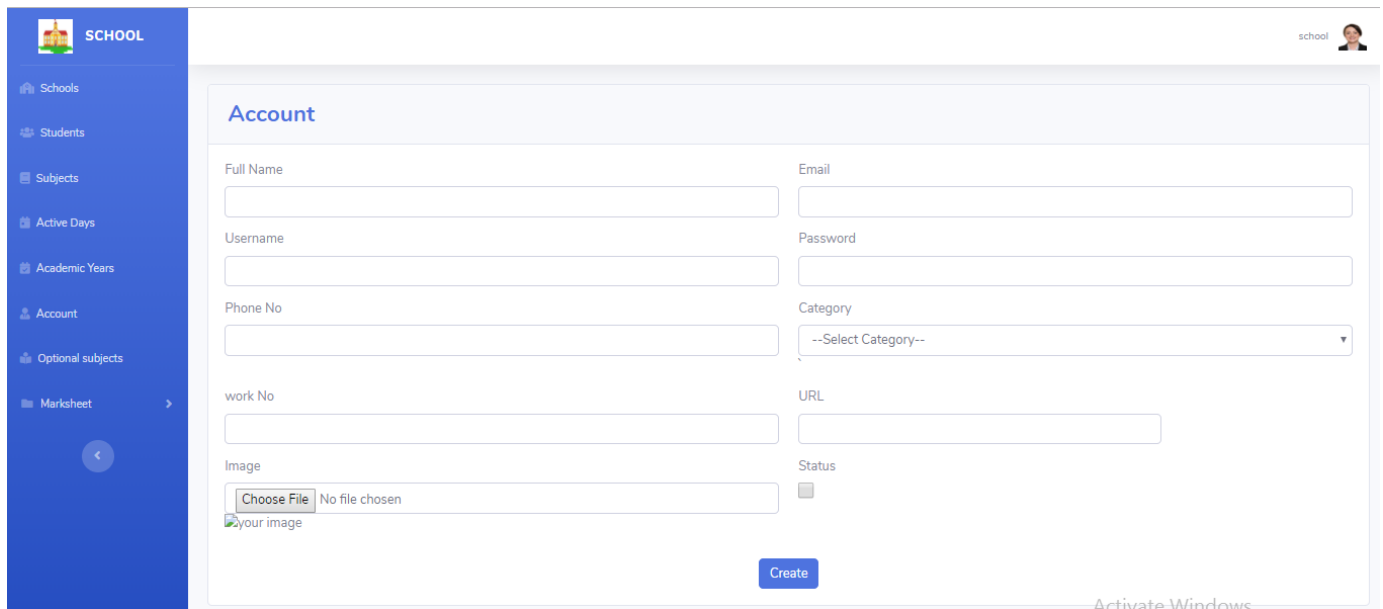

The login page features a small schoolhouse icon in the top left corner. In the top right corner, there are two links: "Forgot your password?" and "Help". The main content area is a light gray rectangle containing a white "Sign In" box. Inside this box, there are two input fields: the first is labeled "school" and the second is masked with six dots. A blue "Login" button is positioned at the bottom right of the "Sign In" box.

Fig: Login page

Register page

In order to login we need to register our account. From the below page we can register our account and then the user is authorized to login and make some change in the system.

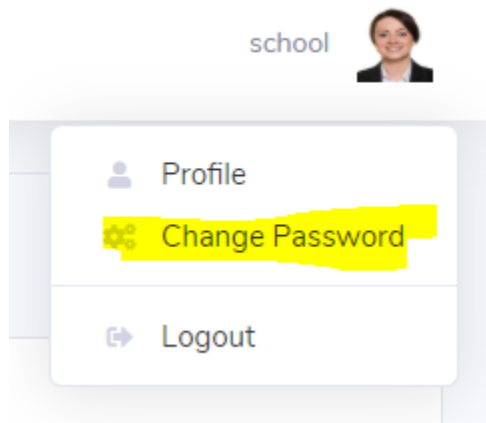

The "Create account" page has a blue sidebar on the left with the "SCHOOL" logo and a list of menu items: Schools, Students, Subjects, Active Days, Academic Years, Account, Optional subjects, and Marksheet. The main content area is titled "Account" and contains several form fields: "Full Name", "Email", "Username", "Password", "Phone No", "Category" (a dropdown menu with "--Select Category--"), "work No", "URL", and "Image" (with a "Choose File" button and "No file chosen" text). There is also a "Status" checkbox. A blue "Create" button is at the bottom right. A watermark "your image" is visible in the bottom left of the form area. At the bottom right of the page, there is a watermark that says "Activate Windows".

Fig : Create account page

Change password

In this page we can change our password which is located at the right top of our page. After clicking on the image which is shown by the yellow highlighter.

After clicking in the change password then the new view will be appear and you have to put your old password once and twice your new password.

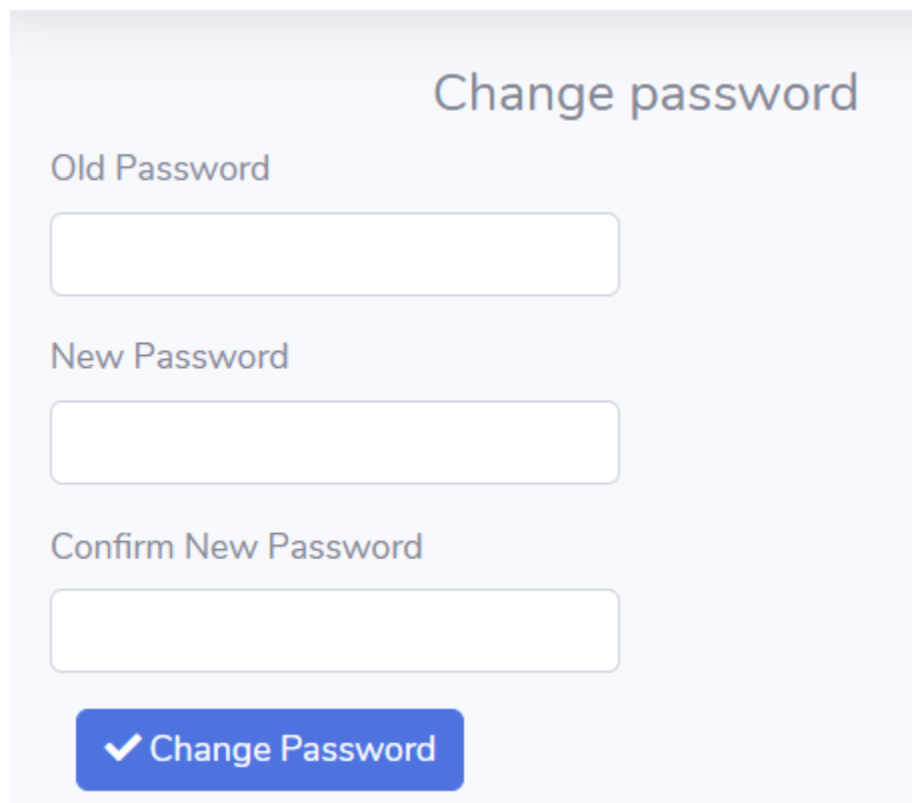

A screenshot of a "Change password" form. The title "Change password" is at the top right. Below it are three input fields: "Old Password", "New Password", and "Confirm New Password". At the bottom is a blue button with a white checkmark icon and the text "Change Password".

Fig : change password

Forget password

In case if you forget your password you can recover it from your email address which you have used to create your account.

The steps are given below

Step 1 : First click on the forget password button which is highlighted

Forgot your password? Help

Sign In

Login

Step 2 : After clicking forget your password the new view will be appear and insert your email address

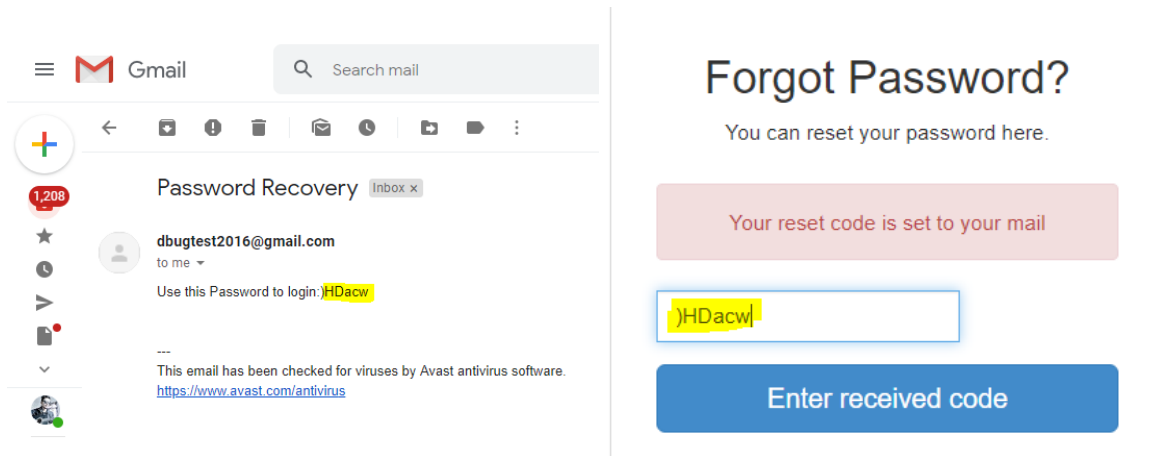

Forgot Password?

You can reset your password here.

Send My Password

Step 3 : After inserting your email now check your mail and insert the code and click the button as shown in the figure below.

Step 4 : Now new page will appear and put your new password and confirm it

The image shows a 'Change Password?' page. It has the heading 'Change Password?'. Below the heading are two text input fields. The first field is labeled 'New Password:' and the second field is labeled 'ConformPassword'. At the bottom of the page is a large blue button labeled 'Change Password'.

Finally your password will be reset and try to login with the new password.

Dashboard

After successfully login you were redirect to the dashboard page where you can get access to the multiple page you can create school, students, gradesheet, marksheet etc.

Fig : creating student

And also as above we can edit and view detail of the student.

Subject

In this page we can create a subject and also if the subject has practical or not as well as it is compulsory subject or not by click to the check box given in create form.

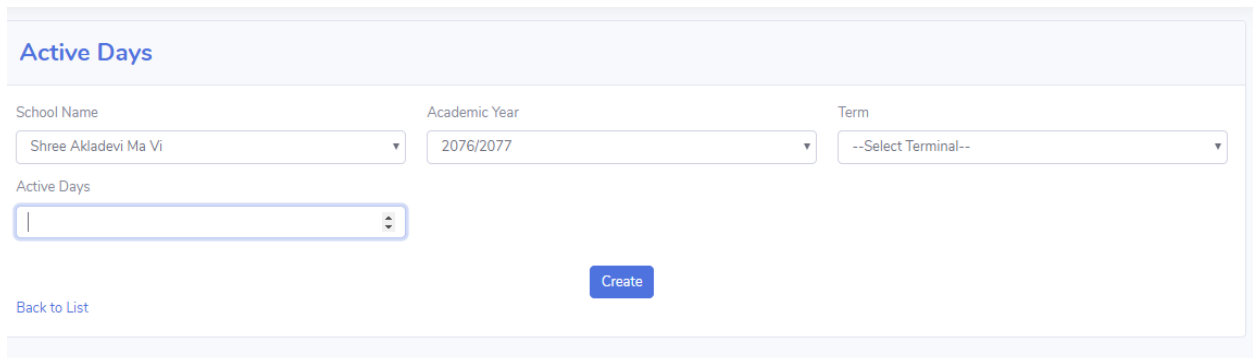

The 'Subject' form is a light blue rectangular box with a title bar at the top. The title bar contains the word 'Subject' in blue. Below the title bar, the form is organized into two rows of input fields. The first row contains 'Subject Name', 'Theory Fullmark', and 'Practical Fullmark'. The second row contains 'Theory Passmark', 'Practical Passmark', 'Optional' (with a checkbox), and 'Has Practical' (with a checkbox). A blue 'Create' button is centered below the input fields. A 'Back to List' link is located at the bottom left of the form.

Fig : subject

Here we can also edit and view details.

Active days

In this page we have to create active days for the schools that how many days the school is open in the given fiscal year here we have to selected the year in the form.

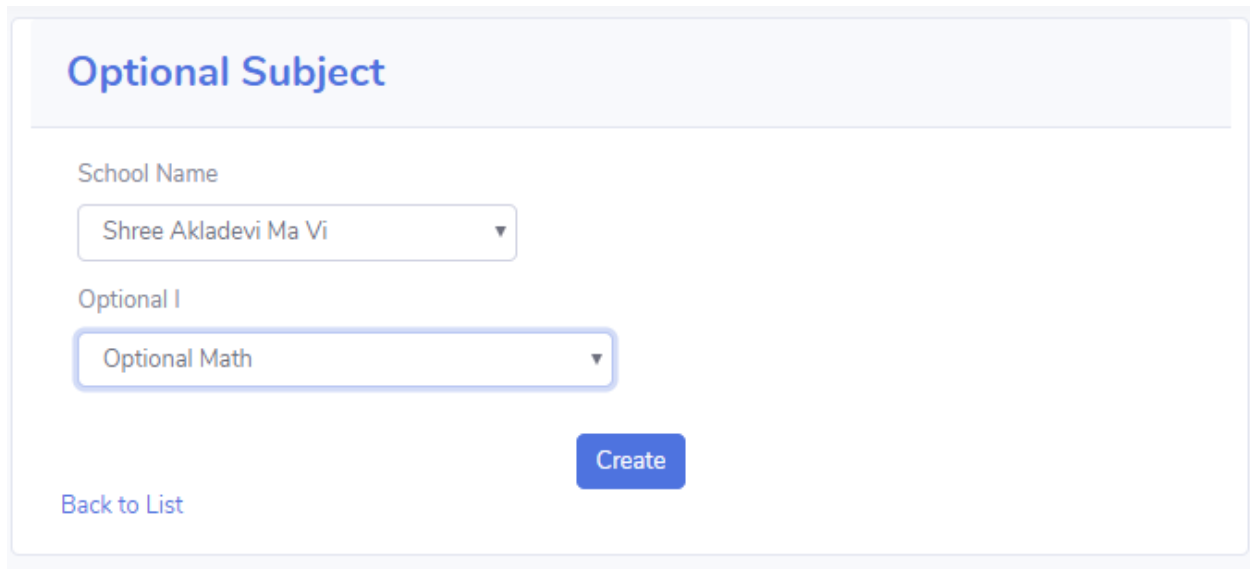

The 'Active Days' form is a light blue rectangular box with a title bar at the top. The title bar contains the words 'Active Days' in blue. Below the title bar, the form contains three dropdown menus: 'School Name' (showing 'Shree Akladevi Ma Vi'), 'Academic Year' (showing '2076/2077'), and 'Term' (showing '--Select Terminal--'). Below these is an 'Active Days' input field with a vertical spinner. A blue 'Create' button is centered below the input field. A 'Back to List' link is located at the bottom left of the form.

Fig : Active days

Here, we can also edit and view details page if something went wrong went inserting.

Optional subject

In this page we have to choose which school is teaching which optional subject

Optional Subject

School Name
Shree Akladevi Ma Vi ▼

Optional I
Optional Math ▼
